The National Broadband Network is going to change the face of Australian business, so take the opportunity to find out what it means to you.

Hear from Telstra's experts on what the NBN is, what does it look like and how can it benefit your business in the future. You'll also have the opportunity to ask questions of Telstra's expert staff from your local Telstra Business Centre and the Telstra Store West Lakes. The future is coming and it's exciting!

Bill Vis has grown VIP into a successful locally owned national cleaning service company. Bill will give the audience a quick rundown on VIP's history and how VIP can benefit your business!
